Dear Ms. Tom Wong and Mr. Nakpil,

In compliance with PSE regulations, we would like to disclose the following information:

PSBank Posts All-time High Net Income of Php 4.53 Billion, Up 23% in 2023

PSBank, the thrift banking arm of the Metrobank Group, reported a record-high net income of Php 4.53 billion for the full year 2023, up 23% from Php 3.68 billion in 2022. This translates to a return on equity of 11.7%. The Bank's strong financial performance came from the double-digit growth in loans, higher investment revenues and muted costs brought by operational efficiencies. Net interest income improved to Php 11.83 billion, increasing by 7% year-on-year while operating expenses declined by 1% due to continuous cost optimization efforts of the Bank.

"This significant milestone was a result of team work and steadfast commitment of PSBankers in delivering effortless banking to our clients and stakeholders. We want to leverage on this momentum to expand our coverage, provide diversified offerings and further invest in technology to level up customer experience in the succeeding years", President Jose Vicente L. Alde said.

PSBank's gross loan portfolio expanded by 12% to Php 125 billion from previous year's Php 112 billion. Auto loans grew by 24% driven by higher demand on vehicles. Despite the increase in the Bank's loan portfolio, gross non-performing loans ratio decreased year-on-year from 3.5% to 3.3% at the end of 2023, indicating better credit quality.
