Recommendation 2.7			
1. Board has overall responsibility in ensuring that there is group-wide policy and system governing related party transactions (RPTs) and other unusual or infrequently occurring transactions.	COMPLIANT	<p>In line with the principles of fairness and transparency, it is the policy of PSBank that all dealings with counterparties and other stakeholders are fairly conducted. We ensure that such dealings, especially with our related parties, are made in the regular course of our business, and upon terms not less favorable to us than those offered to other unaffiliated/unrelated parties and that corporate/business resources are not misappropriated or misapplied.</p> <p>Towards these ends, PSBank has put in place a <i>Board-approved Related Party Transactions (RPT)</i> policy that embodies the key requirements</p>	

		<p>pursuant to BSP Circular No. 895 re: RPT Guidelines. Our RPT policy likewise requires our directors and officers with personal interest in the Bank's transaction (e.g., they themselves or any of their close family members acting as the Bank's counterparty) to inhibit/abstain from the discussion, approval and management of such transaction except in order to provide material information to the RPTC/Board about the transaction. Provisions against conflict of interest situations are likewise stipulated in the Bank's Board-approved "Code of Conduct" such as the prohibition of self-dealing transactions.</p> <p>Pursuant to Memorandum Circular No. 10 s2019 of the Securities and Exchange Commission (SEC) re: "Rules on Material Related Party Transactions for Publicly-Listed Companies," the Bank also adopted since August 2019 a Board-approved Material Related Party Transactions (MRPT) policy that exclusively applies to related party transaction(s) amounting to at least ten percent (10%) of the Bank's Total Assets based on its latest Audited Financial Statement (AFS), either individually or in aggregate over a 12-month period with the same related party. Save for a few differences in terms of scope, approval, reportorial and disclosure requirements, this separate policy espouses the same key principles in handling related party transactions and is likewise posted in the Bank's corporate website.</p> <p>In this regard, we have constituted a <i>Board-level</i> Related Party Transactions Committee (RPTC). The RPTC is composed of three non-executive Directors, two or majority of whom are independent directors, including the committee Chairperson. The RPTC is tasked to assist the Board in ensuring that transactions with related parties are reviewed, appropriate restrictions are followed, and corporate resources are judiciously used. It is also tasked to review/evaluate and endorse for Board approval RPTs beyond their set transaction materiality thresholds (material RPT items), further subject of stockholders' ratification during the Annual Stockholders' Meeting.</p>	
--	--	---	--

		<p>We have further disclosed in our 2023 Annual Report the material RPTs that were entered into between the Bank and its related interests.</p> <p>Corporate Website - Related Party Transactions Policy</p> <p>Corporate Website – Material Related Party Transactions Policy</p> <p>2023 Annual Report – Material Related Party Transactions, Pages 45-46</p> <p>Related Party Transactions Committee Charter</p>	
2. RPT policy includes appropriate review and approval of material RPTs, which guarantee fairness and transparency of the transactions.	COMPLIANT	<p>As stated in our RPT Policy, to ensure the proper identification, review, approval, monitoring and reporting of the Bank’s RPTs, and to further ensure that all its transactions with its related parties are made in the regular course of business, conducted at arm’s length terms (i.e., not less favorable to the Bank than those offered to other unaffiliated/non-related parties and that corporate/business resources of the Bank are not misappropriated or misapplied), we have created a Board-level Related Party Transactions Committee (RPTC) to ensure that all RPTs beyond the set transaction materiality threshold are duly reviewed/evaluated before those are endorsed for Board approval.</p> <p>On the other hand, we have also created a Management-level Related Party Transactions Management Committee (RPTMC) that is tasked to assist the RPTC and to review/evaluate/approve RPT items within their set transaction materiality thresholds, subject to Board confirmation.</p> <p>Corporate Website - Related Party Transactions Policy</p> <p>Related Party Transactions Committee (RPTC) Charter</p> <p>Related Party Transactions Management Committee (RPTMC) Charter</p>

Supplemental to Recommendation 2.7			
1. Board clearly defines the threshold for disclosure and approval of RPTs and categorizes such transactions according to those that are considered <i>de minimis</i> or transactions that need not be reported or announced, those that need to be disclosed, and those that need prior shareholder approval. The aggregate amount of RPTs within any twelve (12) month period should be considered for purposes of applying the thresholds for disclosures and approval.	COMPLIANT	<p>Our transaction materiality thresholds for RPTs were set on a per transaction type basis, taking into account the high end of their historical ticket sizes, their nature, and our risk appetite. These thresholds are applied on a per single transaction basis for one-time or non-recurring transactions, or the aggregate amount of multiple transactions expected in a year for some arrangements with recurring/continuing transactions. Except for loan transactions to Directors, Officers, Stockholders, and their Related Interests (DOSRI), as well as to subsidiaries and affiliates requiring prior approval of the Board of Directors under existing Bangko Sentral ng Pilipinas (BSP) rules regardless of their amounts, RPTs with amounts within these thresholds are subject to the review and approval of the Management-level RPTMC and endorsement of the Board-level RPTC for the Board of Directors’ confirmation. On the other hand, those beyond such thresholds are considered “material” and shall pass through the Board-level RPTC for review and endorsement for Board approval prior to their consummation and for stockholders’ confirmation in the Annual Stockholders’ Meeting.</p> <p>2023 Annual Report – Core Governance Policies – Fairness, Page 44</p> <p>Corporate Website - Related Party Transactions Policy</p>	
2. Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders’ meetings.	NON-COMPLIANT	While there is no such voting system established by the Board whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders’ meetings, the Bank’s material RPTs are submitted for the Board’s approval as reviewed and endorsed by its Related Party Transactions Committee (RPTC) subject to the confirmation/ratification of the stockholders during the Annual	The Board of Directors has been effectively performing its responsibility of ensuring the integrity of the Bank’s related party transactions by setting up strict handling procedures and
